Atlantic City, NJ – The Jan-Ai Scholarship Fund will host its Sixth Annual Fundraiser on Saturday, October 12, 2012, 5:30 pm to 9:30 pm at Dante Hall Theater of the Arts, 14 North Mississippi Ave in Atlantic City, N.J. It will be an evening of art, light fare, silent auction and special musical performances. Tickets for the event are \$65 per person.

The event's silent auction will feature, among other items, the artwork of several scholarship recipients, including current and former Stockton students. The proceeds from their work will be divided between the artists and the scholarship fund.

The Jan-Ai Scholarship Fund was established to help young people follow their passions in the arts. It was created to honor the memory of Ventnor native, Jennifer Cakert (1980-2006) writer, poet and photographer. Since April, 2007, nearly 200 recipients have received scholarships and cash awards totaling \$73,884, including numerous Stockton students.
