# STOCKTON UNIVERSITY

### **POLICY**

#### Files and Records - Review, Retention and Retirement

Policy Administrator: Director of Risk Management and Environmental/Health/Safety

Authority: N.J.S.A. 47: 3-15 et. seq.

Effective Date: June 28, 1976; July 15, 2010; February 16, 2011

Index Cross-References: Policy File Number: VI-92 Approved By: Board of Trustees

#### POLICY:

- A. The files of the University should contain only those materials that are of immediate or continuing importance to the effective operation of the unit possessing the file.
- B. Files and records should be purged frequently and at least annually. Those materials judged as suitable for the archival collection should be transferred to the library by the Office of Record. (See Attachment 1.) Materials retained beyond its period of usefulness occupy valuable file space and contribute to fire hazard risks.
- C. Any policy or procedure developed for University-wide use must conform to the applicable provisions of Destruction of Public Records Law, Chapter 410, Public Laws of 1953 (N.J.S.A. 47:3-15 et. seq.).
- D. Four sections or categories of files are authorized. These are:
  - 1. Current or Active File. This section of the files is the major repository for the current fiscal year. (July 1 through to the next August 31). It contains those items of correspondence, reports, records, and publications produced or received during the current period and retained as being essential to the effective functioning of the unit. At the end of the fiscal year the active
