*Please also apply for Research and Professional Development, Provost Opportunity Funds, Research Experiences for Undergraduates, Student Travel & REU funds (Provost has increased these funds!) and any additional external sources to help support your scholarly work. Deadlines for all rounds are all posted here: www.stockton.edu/grantsoffice

Junior Faculty Funds (JFF) are available for SOB tenure-track faculty who have not been granted tenure. The University has provided funds to enhance the professional development of junior faculty. The primary purpose of these funds is to help untenured faculty in their scholarly and creative activities. Priority is given to requests that support the establishment of research programs, travel for conference presentations, and travel to collect data, meet with colleagues, or otherwise pursue scholarly and creative activities including scholarship of pedagogy and scholarship of engagement. These funds need to be tied to specific endeavors where the outcomes are clear and demonstrable.

- The amount of JFF varies from year to year. JFF will be \$1,400 for this year. Please complete this online request form for approval:
